KEEP YOUR CHILDREN SAFE PETITION

One of our Parents has put together a petition regarding cars running red lights continuously during school runs at the crossing between Tranmere Rovers and the Prenton Park pub.

I am sure most people will agree this can be quite a dangerous place to cross for parents and children. Please click on the link if you would like to support this petition.

30 HOUR NURSERY PLACES

We are looking into expanding our current nursery provision from 15 hours a week to 30 hours a week. The first step in this process is to consult with our parents and potential future parents in order to assess the viability and understand other possible impacts. We would be grateful if you could spread the word amongst our local community so we can try to gauge the level of interest.

All parents are entitled to 15 hours of free childcare (for 3 and 4 year olds) and working parents (who work a minimum of 16 hours a week) are entitled to 30 free hours. Further information and an eligibility checker can be found at:

If you, or someone you know, are looking for a nursery place starting in September 2024 or January 2025, please call into the office to pick up an application form. In the meantime, if

you have any questions, please call the office on 0151 608 9243 to discuss or call in to reception.
