BEST CLASS ATTENDANCE

Congratulations to and 7 Yew 98%, 1 Larch 98% and 4 Poplar 99% who won Best Class Attendance this week. Well done! The overall school attendance for this week is 95%.

WELL DONE!

A huge well done to Lucas Barnett who came 6th representing England in a Cross Country Competition.

A huge well done to an ex pupil at Devonshire Park who is representing Wirral Grammar School for Girls, playing at Wembley Stadium after going through to the final of a national competition.

ST STEPHENS CHURCH

Foundation 2 and Years 1 to 6 and staff will be going to St Stephens Church on 28th March at 10 a.m.

Everyone is welcome at the church but due to the number of children, they will all need to be seated before parents take their own seats.

30 HOUR NURSERY PLACES

We are looking into expanding our current nursery provision from 15 hours a week to 30 hours a week. The first step in this process is to consult with our parents and potential future parents in order to assess the viability and understand other possible impacts. We would be grateful if you could spread the word amongst our local community so we can try to gauge the level of interest.

All parents are entitled to 15 hours of free childcare (for 3 and 4 year olds) and working parents (who work a minimum of 16 hours a week) are entitled to 30 free hours. Further information and an eligibility checker can be found at:

<https://www.gov.uk/check-eligible-free-childcare-if-youre-working>

If you, or someone you know, are looking for a nursery place starting in September 2024 or January 2025, please call into the office to pick up an application form. In the meantime, if you have any questions, please call the office on 0151 608 9243 to discuss or call in to reception.
